

CORPORATE SPONSORSHIPS

THE OPPORTUNITY

Highly gender-diverse executive teams are **21%** more likely to outperform on profitability, and **85%** of CEOs with diverse and inclusive cultures notice increased profits.¹

Over half (57%) of employees think their company should be doing more to increase diversity, and only **40%** of women feel satisfied with the decision-making process at their organization.¹

HOW YOU CAN HELP

Now more than ever, it's critical for us to attract, advance, and retain talented women in the global cleaning industry. Your support as a Corporate Sponsor directly impacts our efforts in improving diversity, equity, and inclusion in the workplace and beyond.

The ISSA Hygieia Network is a signature program of ISSA Charities, a 501c3 organization. All donations are tax deductible and support our programs on women and diversity in the cleaning industry.
